

Spring Cleanup Program

Each spring the City conducts a 2-week Spring Cleanup Program, independent of regular refuse service, to promote fire safety and help dispose of items difficult to discard. Two options are available:

Option #1 - Residential Truck or Trailer Drop Off

April 14-18 and April 21-25

Call the Public Works Office (377-4405) no sooner than 8 a.m. on Apr. 7 to reserve a truck/trailer to be dropped off at your home before 5 p.m. on one of the above days. Fill the truck/trailer with items for disposal prior to pickup the next day around 6:30 a.m.

Voicemail reservations will not be accepted.

Option #2 - Curbside Pickup

The following materials will **NOT** be accepted (truck or curbside):

Household Hazardous Waste (paints, pesticides, chemicals) - drop off at Naperville Fire Stn. #4, Brookdale and Rt. 59; 9 a.m.-3 p.m., Sat. & Sun.

Yard Waste (grass, leaves, brush, garden waste, sod)

Tires - for disposal options call the IEPA at 217-785-8604

Appliances - attach a refuse sticker for pick-up on regular garbage day

Household Refuse (debris normally placed in refuse bags)

Contractor Construction Waste (masonry, roofing materials, windows, drywall, siding, large quantities of lumber) - special arrangements should be made with a refuse hauler

Questions regarding Spring Cleanup may be directed to the Public Works office at 377-4405.

Brush Pickup Program

The Brush Pickup Program (branches at least 3 ft. long and less than 12" in diameter) begins April 7 (east side) and April 14 (west side).

 Brush must be placed on the **parkway** (not in the street), cut ends facing the street, by **7 a.m. on Monday** (see list below for east and west side dates). *The City crews can, at times, move through an entire area very quickly. Once the crew passes an individual address, they will not come back to that address until the next scheduled pickup date.*

 Do **not** bundle brush with rope or wire.

 Pile brush no higher than 4 feet.

 Brush must never be piled in the street (prohibited by City code).

 Please do not place metal, lumber, grass, leaves, dirt, roots, or poison ivy/oak in the pile.

 Brush piles that do not conform to pickup requirements or with vehicles parked in front of them will **not** be picked up.

 Crews will compile a list of addresses with tree stumps (over 12" in diameter) that will be picked up at a later date.

 Twigs, trimmings, leaves, etc. should be placed in a brown paper yardwaste bag with the City logo on the side. Generic yardwaste bags can also be used but must have an orange waste sticker affixed to the bag in order for Onyx to pick them up. Yardwaste will be picked up on your normal garbage day.

2003 Brush Pickup Schedule	
East Side	West Side
Apr. 7	Apr. 14
Apr. 21	Apr. 28
May 5	May 12
May 19	May 26
June 2	June 9
June 16	June 23
No Pickup June 30	
July 7	July 14
July 21	July 28
Aug. 4	Aug. 11
Aug. 18	Aug. 25
Sept. 1	Sept. 8
Sept. 15	Sept. 22
No Pickup September 29	
Oct. 6	Oct. 13
Oct. 20	Oct. 27
Nov. 3	Nov. 10

Residents of the City may bring a shovel and container and pick up free mulch (self serve only) at the Public Works facility, 1405 S. 7th Ave., Mon. - Fri., 8 a.m. - 5 p.m. Please sign in at the Public Works Office before proceeding to the mulch pile. **The City does not load or deliver mulch.**
